## Northern Colorado Weavers Guild, Inc.

is a nonprofit organization. Our primary purpose is to share knowledge and skills in all aspects of the fiber arts with each other and, through demonstrations and shows, with the general public.

**Monthly meetings** are held the second Saturday of each month, September through June, at:

**First Baptist Church  
1003 W 6<sup>th</sup> St.,  
Loveland, Colorado**

Meetings run from 9AM — 12PM and include a short business segment, *Show and Tell*, where members get to display their talents, and a program related to the fiber arts.

Workshops are often scheduled that relate to the morning program.

**Interest groups**, in many aspects of fiber, such as weaving, spinning, and knitting are scheduled during the month. Skill levels range from those newly interested to professional artists and teachers. Opportunity exists for members to learn new skills and teach each other.

### Membership Dues:

\$30.00 per year for individuals and/or families (see website for more information). Dues are reduced to \$15 for new members joining after January 1st.

For additional information, please come to one of our meetings or visit our website at [www.nocoweaversguild.org](http://www.nocoweaversguild.org).

## EDUCATION IN THE COMMUNITY

- We believe in “hands-on” demonstrations.
- We go to schools – elementary through college.
- We demonstrate in parks, libraries, shows, and the Estes Park Wool Market.
- We provide demonstrations in any place an opportunity arises.
- We do these things because our members enjoy sharing our fiber passions, and it is our hope to encourage others to join us in keeping these skills alive.

## LEARNING & SHARING

The Guild has an extensive **library** available to members, which includes over 600 books, periodicals and videos.

Affordable **equipment rental** is available to members and includes weaving looms, spinning wheels and numerous other fiber related items.

There is a minimal rental fee.

## GUILD HISTORY

Janet DeBoer held an organizational meeting to start a guild at an informal group picnic in August 1973. The last person to get the sign-up sheet for jobs was Drury Spurlock Milstein. She became the “Person to Conduct Meetings” (the first President). The first meeting was held in Fort Collins at Judy Pierson’s home; 27 people attended.

Over the years, membership has grown and is currently well over 100 members. There have been 38 presidents, some who have served multiple times. In 2023, the Guild celebrates its 50<sup>th</sup> anniversary.
